

## **Hendricks Investments**

### **The Following Rules Apply to this process for the 2022-2023 leasing period:**

1. We acknowledge that the occupancy for this property is for \_\_\_\_\_ unrelated tenants. This means that only \_\_\_\_\_ people may be permanent tenants in the house. Guests may reside in the property for not more than 8 out of 10 consecutive days. A violation of the occupancy limit is considered a violation of the lease and could lead to a default of the lease by the tenants resulting in termination of the lease.
2. The One Month's Rent that is required to secure the property constitutes your last month's rent and or any portion of a partial first month's rent. All leases have a 10-day turnover period. Your lease agreement will call for 12 monthly payments due on the first of each month.  
  
Example: My Lease Begins/Ends: August 15, 2022 – August 05, 2023.  
  
The One Month's Rent in this instance applies to August 2022 and August 2023.
3. We acknowledge that in your lease agreement you are to pay with **ONE check** in its entirety each month due on the first of each month. This is a joint/several lease.
4. If for any reason you back out before signing the lease, you will forfeit the application fee(s). **THIS SAME INFORMATION IS IN YOUR RENTAL APPLICATION.**
5. We acknowledge that our group has toured the property and this is the property we want to lease.
