

SAMPLE LEASE AGREEMENT 2025-2026

THIS IS A RESIDENTIAL LEASE. EACH **TENANT** SHOULD READ THIS LEASE CAREFULLY. EACH **TENANT** SHOULD NOT SIGN THIS LEASE UNTIL EACH **TENANT** UNDERSTANDS ALL OF THE AGREEMENTS IN THIS LEASE. TENANT ACKNOWLEDGES THAT **TENANT** WAS PROVIDED SUFFICIENT OPPORTUNITY TO PERMIT A LEASE REVIEW BEFORE SIGNING.

1. NAMES OF LANDLORD AND TENANT

Name of the **Landlord**: Rodney Hendricks

Name of the **Tenant Occupant**: 1. John Doe

2. LEASED PROPERTY

The "**leased property**" is the place the **landlord** agrees to lease to the **tenant**. The leased property is:

XXXXXXXXX, State College, Pa, 16801

3. STARTING AND ENDING DATES OF LEASE AGREEMENT

EXAMPLE

This lease starts on: July 25, 2025 at 12 noon.

This lease ends on: July 15, 2026 at 12 noon.

This lease does not renew. Tenant may not end this lease before the lease end date and is fully responsible for all of tenant obligations and promises through the lease end date. The lease terms ends when landlord accepts possession of the leased property and all keys are received by landlord at landlord's office.

Occupancy after the lease end date will subject **tenant** to holdover rate rent. (See Rules & Regulations #21F). **Tenant** agrees that the holdover rent is a reasonable estimation of the loss to be incurred by **landlord** (for increased wages to make repairs, loss of new tenancy etc.) if **tenant** holds over after the lease end date.

4. **LANDLORD'S DUTY AT THE START OF THE LEASE**

Landlord agrees to give **tenant** possession of the leased property on the starting date of the lease. The lease will start even if **landlord** cannot give **tenant** possession of the leased property because the prior **tenant** is still in the leased property or the leased property is damaged. IF **LANDLORD CANNOT GIVE TENANT POSSESSION, TENANT DOES NOT HAVE TO PAY RENT UNTIL THE DAY THE LANDLORD GIVES POSSESSION OF THE LEASED PROPERTY TO TENANT**. Should Landlord be unable to give possession of the leased property within ten days of the lease start date, Tenant may terminate this lease by providing Landlord with written notice whereupon all pre-paid rents and security deposit shall be returned to tenant without delay.

5. **RENT, LATE FEE AND OTHER CHARGES**

EXAMPLE

Tenant agrees to pay a one month's rent to **landlord** before the lease starts and before **landlord** gives possession of the leased property to the **tenant**.

The amount of rent for the entire lease term is **\$24,000.00**.

For the first partial month, your rent is **\$2,000.00**. Monthly Rent of **\$2,000.00** is then payable on the 1st of each month thereafter beginning August 1st, 2025 through June 1st, 2026.

Tenant agrees to pay the monthly rent in advance, without notice or demand from Landlord, on or before the 1st day of each month. **Tenant** agrees to pay rent by first class mail postage prepaid or in person to **landlord** at the place specified by **landlord**. If **tenant** mails the rent to the **landlord**, the date of payment will be the date the envelope is postmarked by the United States Postal Service.

TENANT AGREES THAT ALL ADDITIONAL CHARGES, FEES AND REIMBURSEMENTS THAT TENANT OWES (FOR EXAMPLE, UTILITIES AND REPAIR COSTS) ARE CONSIDERED **ADDITIONAL RENT PAYABLE WITH THE NEXT MONTHLY RENT FOLLOWING THE DATE OF THE BILL**.

If all Rent charges (this includes other charges applied to your account, i.e. water/sewer etc. as applicable to your lease agreement) are not paid in full by the 1st day of the month, late charges will accrue, beginning the second day of the month and continue to accrue each day until the full rent is received. **Tenant** agrees to pay a **LATE CHARGE of \$ VARIES** per day if **tenant** does not pay the entire Rent on time. Late Rent shall also accrue an interest charge of one (1%) percent per month after thirty days of the due date. Tenant will pay a fee of \$50.00 for any check payment that is returned or declined by the financial institution for any reason.

If **tenant** abandons or is forcibly removed from possession of **the lease property** through lawful process, **tenant** remains obligated to pay all Rents and

other charges due under this lease agreement until such time as **landlord** can re-let the leased property using commercially reasonable efforts. If **landlord** is unable to derive full rent despite reasonable efforts, **tenant** shall owe the difference between the actual rent received and the rent due under this lease through the end of the lease term.

6. **UTILITY SERVICES**

Landlord and **tenant** agree to pay for the charges for utilities and services supplied to the leased property as follows:

Charge or Service:

Telephone	Tenant
Television/Internet	Tenant
Electric to Property	Tenant
Water Service	Tenant
Sewer Service	Tenant
Refuse Collection	Tenant
Lawn Maintenance	Tenant
Gas Service	Tenant
Snow & Leaf Removal	Tenant
Pest Control Charges	Tenant
Parking	VARIES

Landlord has the right to turn off utility service to the leased property in order to make repairs or to do maintenance.

7. **SECURITY DEPOSIT**

Tenant agrees to pay a security deposit to **landlord** before the lease starts and before **landlord** gives possession of the leased property to the **tenant**. **Tenant** agrees to pay a security deposit of **\$2,000.00** to secure the obligations of tenant to pay rent and to reimburse **landlord** for expenses owed by **tenant**. The security deposit will be deposited with **Kish Bank**.

At any time during the Lease term, **landlord** can take money from the security deposit to pay for unpaid Rents, Additional Rents and repair costs for damages to the leased property.

At the end of the lease term, after taking out for damages and unpaid Rent and other charges due from tenant, **landlord** agrees to send **tenant** any security deposit money left over. **Landlord** will send the remaining security deposit money to **tenant** not later than 30 days after the lease ends and landlord accepts possession from tenant. **Landlord** also agrees to send **tenant** a written list of damages and amounts of money taken from the security deposit by United States first class mail. When **tenant** leaves and the lease ends, **tenant** agrees to give **landlord** in writing, not by text or email, **tenant's** forwarding address for United States first class mail.

Tenant may not use the security deposit as payment of the last month's rent.

8. **INSURANCE AND RELEASE**

Landlord has insurance on the building where the leased property is located. **Tenant's** own personal property is not insured by **landlord's** insurance. **Tenant** is responsible for **tenant's** own personal property that is located in the leased property. **Landlord** recommends that all **tenant's** buy renter's insurance.

Landlord is not liable to tenant for damage or loss of **tenant's** personal property. **Tenant** agrees to hold landlord harmless **landlord** for any loss or damage to **tenant's** property excepting for loss to **tenant's** personal property caused by **landlord's** gross negligence.

9. **TRANSFER BY TENANT**

Tenant agrees not to transfer (sometimes called "assignment" or "sub-let") this lease to anyone else without the written permission of **landlord**. **Tenant** agrees not to lease all or any part of the leased property to anyone else without the written consent of the **landlord**. **Tenant** agrees that if the **tenant** transfers this lease or leases all or part of the leased property to another, **tenant** has broken this lease.

10. **RESPONSIBILITY FOR DAMAGE TO PROPERTY OR INJURY TO PEOPLE**

Landlord is not liable for any injury, loss, expense, or damage to any person or property located on the leased property unless due to landlord's gross negligence. **Tenant** must pay for all expenses, losses, and legal fees of Landlord resulting from any act or neglect of **tenant**, **tenant's** family and **tenant's** guests including violations of this lease. Excepting for normal wear and tear, **tenant** is responsible for all damage to leased property and injury to people caused by **tenant**, **tenant's** family or guests at the leased property, or from third parties who do not have permission to be on the leased property. **Tenant** agrees that **landlord** is not responsible to **tenant**, **tenant's** family, guests or third parties for damage or injury caused by water, snow or ice that is on the leased property unless caused by landlord's gross negligence.

11. **USE OF THE LEASED PROPERTY**

Tenant agrees to use the leased property only as a residence for the listed **tenants**. **Tenant** agrees to obey all federal, state and local laws and regulations when using the leased property. **Tenant** agrees not to store any flammable or dangerous things in or around the leased property. **Tenant** agrees not to do anything in or around the leased property, which could harm anyone or damage any property. **Tenant** agrees that the maximum occupancy for the leased property is for no more than **VARIES**. No one else, other than occasional guests, may occupy the leased property without the written consent of the Landlord. There will be absolutely no loud parties or disorderly conduct, and

any violation of this promise will be grounds for immediate termination of occupancy of **tenant**. Landlord may post signs on Premises.

12. **RULES AND REGULATIONS**

The Rules and Regulations attached to this lease agreement are a part of this lease. **Tenant** agrees to obey all rules and regulations for the leased property. If **tenant** breaks any rules or regulations, **tenant** breaks this lease.

13. **LANDLORD'S RIGHT TO PUT A MORTGAGE ON THE LEASED PROPERTY**

Tenant agrees that **landlord** has the right to put a mortgage on the leased property. If **landlord** has a mortgage on the leased property now, or if **landlord** gets a mortgage later, **tenant** agrees that this lease is lower in right to the mortgage that the **landlord** has put on the leased property.

14. **CONDITION OF LEASE PROPERTY**

Tenant acknowledges that the leased property is in neat, clean condition and in apparent good repair at the start of the Lease term subject only to a damage list prepared by tenant at the start of the lease term. **Tenant** promises to keep the leased property in a clean and neat condition, inside and out throughout the lease term, and to bring necessary repairs promptly to **landlord's** attention in writing. **Tenant** shall not repair or improve the leased property without **landlord's** written consent. **Tenant** warrants and promises to give back possession of the leased property at the end of the lease term in the same condition as it was at the start of the lease term, reasonable wear and tear excepted; and in a clean condition as specifically promised in this lease.

15. **CARE OF LEASED PROPERTY**

Tenant is responsible for, and will take good care of, the leased property and all of the property in and around the leased property. **Tenant** agrees to pay for any repairs to correct damage, which exceeds normal wear and tear, which is the fault of **tenant**, **tenant's** family and **tenant's** guests, or third parties, excepting for **landlord** and **landlord's** agents, employees and representatives.

Landlord shall periodically inspect the leased property. If **Landlord** discovers damage in excess of reasonable wear and tear, then **Landlord** may repair such damage and charge the **tenant** with the repair costs, which costs shall be Additional Rent payable with and in addition to the next monthly Rent payment due. **Tenant** nor any agent of the **tenant** is not permitted and shall not repair or improve the leased property. **Tenant** agrees that third party contractors shall not repair or improve the leased property. **Tenant** shall be responsible for all costs of repairing and clearing any clogged drains no matter the cause excepting only disrepair of the sanitary line. Tenant will pay for all minor repairs not withstanding anything else, **One Hundred (\$100.00) Dollars**, no matter the cause.

Tenant agrees that the fair and reasonable hourly charge for general

repairs, painting, and maintenance is \$75.00; and for plumbing, electrical and heating repairs the fair and reasonable hourly charge is \$95.00.

Tenant agrees to notify **landlord** immediately if fire, water leak or any other event or condition causes damage to the leased property. **Tenant** agrees to notify **landlord** if there is any condition in the leased property that *could* damage the leased property or harm **tenant** or others.

Tenant shall keep the lawn, flower beds and the exterior in a neat, well-kept condition. **TENANT IS RESPONSIBLE TO KEEP PARKING SPOT(S) CLEAR OF SNOW AND ICE.** **Tenant** must keep leased property, inside and outside, clear of garbage, rubbish, trash, and any other debris.

16. INFESTATION, CLEANLINESS, SMOKE AND CARON MONOXIDE DETECTORS AND CLEANING AT END OF LEASE TERM.

(a) **Infestation:** Infestation of bugs and vermin, excluding termites and other wood destroying pests, shall be deemed to be damage to the leased property caused by the tenant which shall be corrected at the cost to Tenant by the hiring of a licensed and certified pest control professional. **Tenant represents that, at the time tenant takes possession of the leased property, tenant will not bring bedbugs, fleas or other pests into the leased property. In the event that the leased property is in need of extermination services due to bedbugs, fleas or other transportable or host pests, tenant shall be fully responsible for all costs to exterminate for such bedbugs, fleas and pests and will follow all directions of the exterminating company retained by landlord with respect to removal, disposal or cleaning, as the case may be, of tenant's personal property, including temporarily vacating the leased property and removal and cleaning of tenant's personal belongings.**

(b) **Cleanliness During Lease Term:** If **landlord** discovers that **tenant** has not acted reasonably to maintain the leased property in a clean, habitable condition thereby risking the health, welfare of tenants and other residents in the building, then at **landlord's** sole discretion, Landlord may require that the leased property be professionally cleaned not more frequently than one time every ninety (90) days at a cost not to exceed **\$400.00** which shall be due and owing from **tenant** with the next monthly rental payment due.

(c) **Smoke Detectors and Carbon Monoxide Detectors:** One or more smoke detectors and carbon monoxide detectors have been installed in the leased property. **Tenant** must:

- (1) Keep and maintain the smoke and carbon monoxide detectors in good repair.

- (2) Test the smoke and carbon monoxide detectors at least once monthly.
- (3) Replace batteries as needed.
- (4) Notify landlord of any missing or inoperable smoke detector and carbon monoxide detector;
- (5) Tenant will pay for any smoke detector or carbon monoxide detector that is stolen, removed, missing or rendered inoperable during the occupancy of the leased property.

(d) Tenant agrees to Clean the leased property at End of Lease Term.

At the end of the lease term, **tenant** shall clean the entire leased property. In general tenant must clean the refrigerator, inside and out, stove, range-top, oven and broiler; kitchen sink and floor; bathrooms, including floors, tile, tub/shower, sink, toilet and mirror; remove decals, nails and sticky tape from walls and surfaces; vacuum floorings; professionally steam clean carpets, see Rules & Regulations #37 attached; wipe down shelves, counters, cabinetry, inside and out etc.; windows and window sills; baseboards and steps; wood and tiled floors. A list which gives details of the parts and areas of the leased property to be cleaned at the end of the lease term is attached hereto and charge to **tenant** if the **tenant** fails to clean.

Tenant agrees that the monthly rent would be higher but for tenant assuming the responsibility to perform the above items of cleaning at the end of the lease term; and tenant agrees that landlord is entitled to reimbursement from security deposit and make claim for the costs of performing those items of cleaning which tenant fails to perform.

If **tenant** does not fully clean the leased property at the end of the lease term, **tenant** shall be responsible for all cleaning expenses including the costs of labor, supplies and equipment rental charges to clean the leased property at the end of this lease. **Tenant** agrees that a fair and reasonable hourly charge for the cleaning services is \$75.00.

17. LANDLORD'S RIGHT TO ENTER LEASED PROPERTY

Tenant agrees that **landlord** and people working for **landlord** may go into the leased property at reasonable times after notice to **tenant**. **Landlord** and people working for the **landlord** may enter the leased property to inspect, make repairs, do maintenance, and show the leased property to others. When possible, **landlord** will provide 24 hours' notice of the visit and the reason for the visit. In emergencies or in response to a maintenance request from **tenant**, **landlord** may enter without notice.

18. LAWS & REGULATIONS

Tenant must comply with all laws, ordinances rules, regulations, and orders of all governmental authorities. **Tenant** will not violate any fire regulations

or other regulations. **Tenant** will not do anything to increase **landlord's** insurance premiums; and if **tenant** does so, then **tenant** must pay the increase in premium.

Tenant understands that the Borough enacted a General Property Nuisance Ordinance, which makes unlawful certain conduct and imposes affirmative duties upon the **Tenant**. **Tenant** agrees to make himself/herself familiar with the Ordinance and to affirmatively abide by its requirements to avoid disruptive conduct or other nuisance. **Tenant** understands that a violation of the Ordinance shall be deemed a material breach of this Lease Agreement, which may subject **tenant** to civil claim for damages and/or eviction.

Tenant understands that State College Borough may assess and assign "points" to a rental property for violation of the Centre Region Building Safety and Property Maintenance Code for defined nuisance conduct, criminal violations and code violations, as may be amended from time to time. Should **tenant's** occupancy of the Property incur five or more points, Landlord may act to evict **Tenant**. **Tenant** remains responsible to pay Rent and Additional Rent for the remaining part of the Lease Term should **Landlord** act to evict **Tenant** for accrual and assignment of points under the Rental Housing Permit provisions.

19. **WHAT HAPPENS IF TENANT BREAKS ANY AGREEMENTS IN THIS LEASE AGREEMENT**

When **tenant** does not do something that **tenant** has agreed to do, **tenant** breaks this lease. If **tenant** breaks this lease, **tenant** may lose **tenant's** security deposit or be evicted.

If **tenant** breaks this lease, **landlord** can sue **tenant** for other expenses and may go to court to remove **tenant** from the leased property. If there is only one **tenant** on this lease, then the **landlord** can only sue one **tenant** for that **tenant's** breaking the agreements made in this lease. If there is more than one **tenant**, then the **landlord** can sue all **tenants** together as a group. This is a **JOINT AND SEVERAL LEASE**, meaning that all of the tenants as a group and each of the tenants as individuals are responsible to landlord for **all the agreements of this lease**. For example, if the rent is not paid, **landlord** can sue **all of the tenants (jointly)** for any unpaid rent or charges. **Or, landlord** can bring a suit against any one **tenant** separately (severally) for all the unpaid rent and charges.

Tenant breaks this lease if **tenant**:

- 1) Does not pay rent or other charges to **landlord** on time.
- 2) Leaves the leased property for good without the **landlord's** permission before the end of the lease.
- 3) Does not leave the leased property at the end of the lease.
- 4) Does not do all of the things that **tenant** agreed to do in this lease.

If **tenant** breaks the lease agreement, the **landlord** may sue each **tenant** in court:

- 1) To collect overdue Rent, late charges and other money damages caused by **tenant's** breaking the agreements in the lease.
- 2) To get the leased property back (Eviction).
- 3) To collect for unpaid Rent and/or other charges and fees due from **tenant** until the end of the lease or until another person moves into the leased property as a new **tenant**.

Tenant agrees that **landlord** may receive reasonable attorneys fees as part of a court ruling in a lawsuit against **tenant** for breaking agreements of this lease. If **landlord** hires a lawyer to assist him in any claim against **tenant**; then **tenant** will pay **landlord's** legal fees in addition to any other amounts payable to **landlord**. Tenant agrees that an hourly rate of \$275.00 will be charged by **landlord's** attorney, which is a fair and reasonable rate.

20. **WAIVER OF NOTICE – Lease Break**

(a) **Notice of Default.** Landlord is not required to give Tenant a notice of default or an opportunity to correct any lease break or default. **TENANT WAIVES THE RIGHT TO A NOTICE TO QUIT UNDER THE LANDLORD TENANT ACT.** This means that the **landlord** may file a lawsuit in court asking for a court order evicting each **tenant** from the leased property without first giving each **tenant** written notice.

(b) Tenant acknowledges that the Laws of Pennsylvania afford Tenants with certain jury trial rights. **LANDLORD AND TENANT EXPRESSLY WAIVE THESE RIGHTS AND AGREE THAT IN THE EVENT OF ANY DISPUTE BETWEEN THEM, NEITHER PARTY WILL REQUEST A JURY TRIAL.**

21. **LEAD PAINT DISCLOSURE:**

(a) **Lead Warning Statement.** Housing built before 1978 may contain lead based paint. Lead from paint, paint chips, and dust can pose health hazards if not taken care of properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre 1978 housing, landlords must disclose the presence of known lead based paint and lead based paint hazards in the dwelling.

(b) **Landlord's Disclosure:** The apartment was painted many times before 1978, and probably contains lead based paint. Drywall was replaced in 1981-82.

Protect Your Family From Lead In Your Home

IMPORTANT!

Lead From Paint, Dust and Soil Can Be Dangerous If Not Managed Properly

FACT: Lead exposure can harm young children and babies even before they are born.

FACT: Even children that seem healthy can have high levels of lead in their bodies.

FACT: People can get lead in their bodies by breathing or swallowing lead dust or by eating soil or paint chips with lead in them.

FACT: People have many options for reducing lead hazards. In most cases, lead-based paint that is in good condition is not a hazard.

FACT: Removing lead-based paint improperly can increase the danger to your family.

ARE YOU PLANNING TO BUY, RENT OR RENOVATE A HOME BUILT BEFORE 1978?

Many houses and apartments built before 1978 have paint that contains lead (called lead-based paint). Lead from paint, chips and dust can pose serious health hazards if not taken properly. By 1996, federal law will require that individuals receive certain information before Buying, renting or renovating pre-1978 housing.

WHERE LEAD-BASED PAINT IS FOUND

In general, the older your home, the more likely it has lead-based paint. Many homes built before 1978 have lead-based paint. In 1978, the federal government banned lead-based paint from housing.

Lead can be found:

In homes in the city, country or suburbs.

In apartments, single-family homes and in both private and public housing.

Inside and outside of the house.

In soil around the home. (Soil can pick up lead from exterior paint, or other sources such as past use of leaded gas in cars).

CHECK YOUR FAMILY FOR LEAD

Get your children tested if you think your home has a high level of lead.

A simple blood test can detect high levels of lead. Blood tests are important for:

Children who are 6 months to 1 year old (6 months if you live in an older building or home that might have lead paint). Family members that you think might have high levels of lead.

If your child is older than 1 year, talk to your doctor about whether your child needs testing .

Your doctor or health center can do blood tests. They are inexpensive and sometimes free. Your doctor will explain what the test results mean. *Treatment can range in your diet to medication or a hospital stay.*

SIMPLE STEPS TO PROTECT YOUR FAMILY FROM LEAD HAZARDS

If you think your home has high levels of lead:

- Get your young children tested for lead, even if they seem healthy.
- Wash children's hands, bottles, pacifiers and toys often.
- Make sure children eat healthy, low-fat foods.
- Get your home checked for lead hazards.
- Regularly clean floors, window sills and other surfaces.
- Wipe soil off shoes before entering house.
- Talk to your landlord about fixing surfaces with peeling or chipping paint.
- Take precautions to avoid exposure to lead dust when remodeling or renovating (call 1.800.424.LEAD for guidelines).
- Don't use a belt-sander, propane torch, dry scraper or dry sandpaper on painted surfaces that may contain lead.
- Don't try to remove lead-based paint yourself.

LEAD'S EFFECTS

If not detected early, children with lead in their bodies can suffer from:

- Damage to the brain and nerve system.
- Behavior and learning problems (such as hyperactivity).
- Slowed growth.
- Hearing problems.
- Headaches

LEAD IS ALSO HARMFUL TO ADULTS

Adults can suffer from:

- Difficulties during pregnancy.
- Other reproductive problems (in both men and women).
- High blood pressure.
- Digestive problems.
- Nerve disorders.
- Memory and concentration problems.
- Muscle and joint pain.

OTHER SOURCES OF LEAD

While paint, dust and soil are the most common lead hazards, lead sources also exist.

Drinking Water

Your home might have plumbing with lead or lead solder. Call your local health department or water supplier to find out about testing your water. You cannot see, smell or taste lead, and boiling your water will not get rid of lead. If you think your plumbing might have lead in it:

Use only cold water for drinking and cooking.
Run water for 15 to 30 seconds before drinking it, especially if you have not used your water for a few hours.

State Health and Environmental Agencies

Some cities and states have their own rules for lead-based paint activities. Check with your state agency (listed below) to see if state or local laws apply to you. Most state agencies can also provide information on finding a lead abatement firm in your area, and on possible sources of financial aid for reducing lead hazards.

Should **tenant** be evicted or the leased property is condemned for **tenant** violation of municipal ordinance or Law, then **tenant** shall remain liable for all Rents and other charges due for the full term of the Lease.
